WORK EXPERIENCE

Holt Renfrew – E-commerce Representative

Oct. 2022 - Present

- Resolved customer issues by efficiently addressing over 50 client inquiries weekly, identifying solutions to meet their needs, and ensuring high satisfaction and retention rates.
- Investigated and mitigated suspicious activities by analyzing transaction patterns and identifying anomalies, effectively minimizing potential risks to the platform and ensuring compliance with protocols.
- Coordinated a team of 10 online sales associates by prioritizing tasks based on needs and workflow, leading to a 15% increase in operational efficiency and improved team performance.

Simon Fraser University – Teaching Assistant

Jan. 2024 – Apr. 2024

- Assisted and delivered Sustainable Business by planning lessons, grading assignments, and mentoring students.
- Developed and delivered a 40-minute lesson on sustainability and business ethics, encouraging active participation from a class of 60 students.
- Provided constructive feedback to student teams on project presentations and research, enhancing the quality of their work.

Sole proprietorship – Rental Property Management

Aug. 2020 – Jul. 2024

- Managed a portfolio of five rental properties, ensuring smooth operations, tenant satisfaction, and financial oversight.
- Developed comprehensive spreadsheets to track rental income, property expenses, and budget allocations, improving financial management and optimizing budget decisions across multiple properties.
- Handled all financial transactions, including rent collection, utility payments, and vendor invoices, ensuring timely and accurate processing.

White Spot – Server

Jan. 2022 – Dec. 2022

- Managed multiple tasks efficiently, including taking orders, coordinating with the kitchen, and handling payments in a POS system, in a fast-paced environment.
- Resolved customer concerns by actively listening, offering prompt solutions, and following up to ensure satisfaction, resulting in positive reviews and repeat business.
- Analyzed sales trends during shifts to recommend upselling strategies, contributing to increased revenue.

VOLUNTEER EXPERIENCE

PEIMUN – Academic Secretary and Event Organizer

Nov. 2019 – Present

- Collaborated with the Pereira government and organizing committee to host a citywide United Nations Model event.
- Designed and led a 2-hour training session for a group of 70 students, teaching techniques for effective data gathering and presenting ideas with well-reasoned arguments.
- Demonstrated leadership, communication, and organizational skills by building strong partnerships with educator and government representatives to deliver a successful event with over 500 attendees impacting students across multiple schools.
